GITEX 2022

The Gulf Information Technology Exhibition, or GITEX as it is more commonly known, is a technology trade show and conference that takes place in Dubai each year. The exhibits include computers, robots, supercars and the latest smartphones – but this is not a shopping event. Instead, it is an opportunity for the public and people in the tech trade to see the most futuristic inventions in the world and to get a sense of the latest trends.

His Highness Sheikh Maktoum bin Mohammed bin Rashid Al Maktoum, Deputy Ruler of Dubai, and Deputy Prime Minister and Minister of Finance of the UAE, officially opened GITEX GLOBAL 2022, the world’s largest technology show at the Dubai World Trade Centre (DWTC).

THE POWER OF 7 TECH COMMUNITIES & 100,000 BUSINESS CONNECTIONS

North Star 2022

GITEX North Star, Dubai - The rising startup capital of the world.

North Star is strategically staged next to GITEX GLOBAL, the super connector for the tech community, giving you exposure to 100,000 global tech leaders attending the event.

After a record-breaking year saw \$2.6bn VC funding in MENA, the UAE is once again leading the way regionally. Startup success is a result of international collaboration and North Star is a proud contributor to the global startup ecosystem.

North Star 2022, Dubai brought the global startup ecosystem together for four days.

The **world's biggest tech show for startups get cooler**. Together with you we remain committed on advancing technology for the betterment of societies. We all have different journeys but we'll meet at one destination.

North Star Dubai, it's GITEX Global redefined.

- 800+ Startups from 170+ countries
- 5,000+ Exhibitors
- 1000+ Speakers

STARTUPS FROM ALL SECTORS OF THE ECOSYSTEM

"If you want to see the world of technology in one place – come to GITEX."

His Excellency Omar Sultan Al Olama
 Minister of State for Artificial Intelligence,
 Digital Economy and Remote Work Applications

CIIC Startup Testimonials

Ms. Arasi Arul
Co-Founder
60 Plus India

The 4-day event was a high-power networking marathon with meeting multiple people and gaining knowledge. The highlight of our trip was CIIC bringing in many VIP visitors to the stalls including Ministers, IASs, and Expats

This trip has given us a great confidence on our product and the way we are building the technology and the business model. Also, this has given multiple different perspective about how we can penetrate the market. We also learnt the expectations of the customers and minor flaws that we need to fix in our product

Mr. Jaya Prakash
Founder
MirrAr Innovation Technologies

Mr. Benjamin Raja
Founder
FarmAgain Agro

“We explored global business possibilities, particularly to expand into Africa and the Middle East. We’ve had visitors from both regions, specifically from, Ethiopia, Kenya, Nigeria, Egypt, and from around the Gulf region. With this, my very specific objective was certainly fulfilled. This has helped in thinking about roadmap for our Global presence.”

Ms. Duvvuru Varshitha
Founder
VivaLyf Innovations

“NORTHSTAR and GITEX both served us as a great platform for us to interact with several global leaders, entrepreneurs, investors, enthusiasts and other exhibitors.

Sharing experiences with other company founders and members of the C-suite has always been wonderful. Much-needed ecosystem of individuals working in relevant areas.”

“GITEX 2022 is a great opportunity to meet an ecosystem of global technology experts and innovative start-ups. I have had a lot of engaging conversations on Denvik's cutting-edge IoT solutions that are currently being adopted across industries.”
